

8-9 NOVEMBER

# 2018 LONDON TRAUMATIC GRIEF: TEACHING LIFE SKILLS

**Many children are traumatized by death or loss during wars and disasters**

This workshop teaches a group method for helping them. It is aimed at those who have previously attended a training in TRT and teaches techniques to help children traumatised by loss and grief, either directly or indirectly. Some experience of working with bereaved children will be helpful but not essential.

Skills based – places limited to 12
